NEWLY ELECTED SENATOR OF N. C. EMERGENCY RELIEF PROGRAM FINALLY PASSED AND SIGNED

MAIN TROUBLE - MAKING MEASURES ARE YET TO **FACE LAW-MAKERS**

WASHINGTON, Dec. 22. -The administration's emergency relief program is now law and congress is off on two weeks Christmas holiday, but trouble signs still mark the road of final adjournment.

The tasks disposed of Saturday night, after arduous work and bitter debate, formed the portion of the congressional program for which peaceful and speedy accomplishment had been hoped. Virtually all obstacles seen a monthly ago as potential causes of an extra session of the next con-gress in the spring, remain to

be tackled.

It is the senate that is causing leaders to worry as they count upon the house to go down the line for the administration. While the executive branch of government moved today to put into effect the expenditures for employment approved by congress, the legislative leaders cast about for means of averting a deadlock on the next steps of the congressional program.

—It really is surprising, Mrs. J.

H. Shekels may have reasoned today, how many policemen can come to a surprise party, like, for instance, the one she arranged for her husband.

It all started when Mr. Shekels came home last night, observed a light in the house, and knowing that his bride was not due back from a visit with her mother for five more days, came to the most natural conclusion that all was not well within.

LIFE SENTENCE IN PRISON ASSESSED AGAINST ARMY MAN

MAJOR CHAS. A. SHEPARD WAS CHARGED WITH POIS-ONING HIS WIFE

KANSAS CITY, Kansas, Dec. 22. (49)—Major Charles A. Shepard was convicted today on a charge of having fatally poisoned his second wife. The jury verdict carried a sentence of life imprisonment, specifying that capital punishment should

not be imposed.

capital punishment should not be imposed.

The jury had been given the case at 2:58 p. m. Saturday.

The major, a specialist in pulmonary diseases, had been portrayed by the prosecution as a criminal who, making use of his medical knowledge, has removed an unwanted wife by use of a slow acting poison which would produce symptoms suggesting natural illness. It had alleged he did this because he was enamoured by Miss Grace Brandon, blond stenographer at Brooks Field, San Antonio, Texas.

The defense attempted to show that the major was one whose life had been devoted to humanity and was a victim of cleverly arranged circumstantial evidence. His sole offense, if any, it was argued, was that he had fallen in love with another woman. It brought up in evidence from another army post associates the possibility of accidental poisoning from a mouth wash containing mercury, the alleged poison, or from a disinfectant, also containing mercury, which the major had kept in a bag frequently rifled for liquor by Mrs. Shepard. The wife was protrayed as a hopeless alcoholic.

Major Shepard said he was surprised at the verdict.

"I am absolutely innocent and this case will eventually be thrown out of court," he declared.

"I am absolutely innocent and this case will eventually be thrown out of court," he declared. The army officer was sitting down when the verdict was read. He placed his hands over his

URBAN POPULATION OF UNITED STATES SHOWS AN INCREASE

OVER FIFTY-SIX PER CENT OF AMERICANS LIVE IN CITIES AND TOWNS

WASHINGTON, Dec. 22.—(P)—
The census bureau today announced the urban population of the United States as 68,955,521 and rural population as 53,819,525.
The 1930 urban population represents 56,2 per cent of the total population, 122,775,046.

MEMBERS LAW ENFORCEMENT **COMMISSION EXPECT WRITE** REPORT IN NEXT FEW DAYS

WASHINGTON, Dec. 22.—(P)—
Members of the law enforcement commission expect the next few days will bring a decision on what will be written into their prohibition report.

The members, while confident they can get the recommendations before the president about January 1, have not yet, according to authoritative word, reached agreement upon the principal points.

The commission apparently has decided to disregard entirely the clighteenth amendment. These had been suggestions that since the eighteenth amendment. These had been suggestions that since the beginned last Saturday, the commission might hold up its recommendations.

As the group reassembled today it had for the first time its full membership of eleven. Judge Willams S. Kenyon had been held out of the city by court sessions for the past three weeks.

There was a strong expectation that the commission report would be unanimous. Some time ago it developed the members planned to append supplementary explanations of their individual positions and today it appeared hopes were entertained that all differences of recessed at one time to prepare a land on the night of August 17. SOIL SURVEY OF NAVARRO COUNTY IS COMPREHENSIVE

MAP DISCLOSES KINDS OF SOILS AND THEIR LOCA-TION AND EXTENT

The U. S. bureau of chemistry and soils has compiled a soil survey of Navarro county and Hon. L. A. Johnson, congressman from the sixth district, has sent a copy to the Daily Sun.

The survey is one of the most comprehensive ever unertaken and the various soils are outlined on an exceptionally well prepared map. In addition to the may a minute description of the various types soils, the number of acres of cach and the proportionate extent of the county are also given.

Wilson fine sandy loam leads all types of soil in the county with 117,760 acres or 16.9 per cent.

Wilson fine sandy loam leads all types of soil in the county with 117,760 acres or 16.9 per cent.

Wilson clay loam and undulating phase have a combined total of 118,912 acres and 17 per cent of the county. Next comes Houston clay, listed with 93,648 acres and 12 per cent. Other types of soil listed are Houston black clay, Sumter clay, (shallow and steep phase), Wilson clay, Eilis clay, Crockett fine sandy loam, Crockett clay loam, Oktibbeha fine sandy loam, Irving Clay loam, Irving clay, Lewisville clay (Shallow phase), Milam finer sandy loam, Bell clay, Myatt silty clay loam, Catalpa clay, Catalpa silty clay loam, Trinity clay and Ochlockonee fine sandy loam.

The area, climate, a brief history of the early days, acreage and production of leading crops and other useful information are contained in the survey.

A preface states that the survey was conducted by M. W. Beck, U. S. department of agriculture, in charge and E. H. Templin Texas agricultural experiment station.

AMARILLO APPEARS PITIFUL AGAINST EAST TEXAS CLUB

MARKS FIRST RETURN OF TITLE TO EAST TEXAS

For the first time in nine years, an east Texas eleven today held undisputed reign over state high school football circles.

The Tyler Lions, by defeating the vaunted Amarillo Golden Sandthe vaunted Amarillo Golden Sandstorm, 25 to 13, Saturday before 16,000 spectators at Fort Worth, became the first unit to march out of the piney woods to the school-boy crown since 1921. In that year the Bryan Eagles trimmed Oak Cliff of Dallas in the final battle. Since then the title had been cornered by husby gleyens been cornered by husky clevens from the central and west portions of the state—Waco, Abilene, Oak

one or two sectins.

In marching to the 1930 championship, the Lions of Coach Geo. Fotz won 11 of 12 games played, the only blemish on their escutch-con being a 14-14 tie with Mexia, a class B team. That was before the doughty little machine struck its true stride, however, and is not to be taken too seriously. By the manner in which they struck down Amarillo, supposedly one of the most powerful teams in state

A press box full of critics sat dumfounded, and worse, as the trim, compact Tyler club out-played, out-fought and out-thought the favored Sandies. Principally it was the latter. While Amarillo appeared to have fully as great man-power, it played a fairly low calibre of mental football compared to its alert adversary. The critics, in picking the Sandstorm to triumph, could not have anticipated the tactics to be employed by the lads from the Panhandle. Neither could they foresee the fool-proof game to be called by little Harry Johnson, sterling quarter-back of the new chaimpions.

Lions Had Mental Edge.

In other words, it was a mental edge that enabled the Lions to overcome a 13-6 Amarillo lead at the half and make the Sandies look woefully incompetent through the bird and fourth periods.

third and fourth periods.
Although they scored first, in the opening minutes of play, the Tylerites saw their lead melt like snow in the sunshine in the second periods. riod, when the Amarillo backs, Fowler and Bufkin, ripped their line to bits to score two touch-downs. But Tyler had learned downs. But Tyler had learned something of great value in that irst half, namely, that Amarillo vouldn't bat down passes worth shucks, and at the start of the third period it was just too bad.

Within two minutes they paraded by the aerial route to a touchdown, and five minutes later they passed their way 96 yards to another. Johnson passed unerringly to Gregory and Morris for repeated gains, and the Amarillo secondary couldn't do anything about it.

Tyler Weary But Happy Over Result

TYLER, Dec. 22.—(A)—Weary from their long celebration, but happy, Tyler football fans still were in the throes of a happy delirium today over the victory of Coach George Foltz's Lions cverthe Amarillo Golden Sandstorm in the final battle for the state high school title Saturday a Fort Worh. Worh.

The score, 25 to 13, ran the Lion's season record to 345 points to opponents' 63 in 13 games played since early September. In three crucial games against Greenville, Austin and Amarillo after winning Cliff.

Starting slowly, the Tyler eleven to the Tyler eleve lightly in football circles, the blue-jerseyed Lions from Tyler, a com-paratively minos city of some 15. 000 population, proved 'hat grid talent is no longer confined to any one or two sectins.

In marching to the 1930 cham-pionship, the Lions of Coach Geo. Fotz won 11 of 12 games played, the only blemish on their escutch-con being a 14-14 tie with Mexia, a class R team. That were before

more decisive. Bufkin, big captain and fullback of the Sandstorm, appeared able to make redown Amarillo, supposedly one of the most powerful teams in state history, the Lions left no doubt of their right to the title.

Critics Dumfounded.

A press box full of critics and the Lions but his number wasn't falled enough. Instead of using their running attack, their most powerful weapon, consistently. the Sandies cheese the control of the critics and the cr their running attack, their most powerful weapon, consistently, the Sandies chose to pass, a feature at which they were not so good. Tyler simply intercepted Fowler's tosses and then kicked the Sandstorm back into its own territory. That was where Johnson's educated toe came in. Finally, just to leave no doubt of the outcome, Glass intercepted one of Fowler's wayward pegs and ran it for Tyler's fourth touchdown.

A Great Machine.

Perhaps the outstanding feature

Perhaps the outstanding feature of the final struggle was the fine tackling and blocking of the entire Tyler eleven. It was pretty to watch. The Lion forwards acto watch. The Lion forwards actually outplayed the big Amarillo line, and the east Texas boys tackled with a beautiful precision. They muffed no tackles. When an Amarillo ball carrier was hit he went down. The Lions' blocking and interference and running was equally as effective. They displayed to fine insight into the

ing and interference and running was equally as effective. They displayed a fine insight into the fundamentals of football, credit for which must go partially to Rufus King, line coach.

The championship tussle was one of the cleanest ever played in the state. There was not a single penalty for offside, for roughing or for any of the innumerable infractions a player may commit in the heat of conflict. The only penalty stepped off by Referee Ben Boynton was five yards assessed the Lions for excessive time out.

Kirven Girls Win Over Wortham

TEAGUE, Dec. 22.—(Spl.)—Kirven volley ball girls downed Wortham in two fast games of a match last Tuesday afternoon on Kirven's court with scores of 15-13 and ed gains, and the Amarillo secondary couldn't do anything about it. Instead of dropping their center into the defense, the Sandies stuck to their four-man secondary, and that decided the issue. Tyler sent five men down to receive, and one of them always was open.

Amarillo Tactics Bad.

Going into the final quarter trailing, 19 to 13, Amarillo chose the very tactics that hastened its defeat and made Tyler's victory

NEGRO EX-CONVICT CONFESSES SLAYING OF SCHOOL TEACHER

MARYVILLE. Mo., Dec. 19.—OP)
—Said by county authorities to have confessed slaying 19-year-old Velma Coiter, rural school teacher, Raymond Gunn, 30, negro exconvict, was held at St. Joseph, Mo., today where he was taken to avoid possible mob violence.

The negro was arrested yesterday while hunting. After hours of questioning the suspect, County Attorney Paul R. Jones announced, had confessed. He was spirited away immediately.

The prosecutor said Gunn related how he had met the young teacher at the door of her school room had followed her within when she field screaming. Jones quoted the exconvict as saying Miss Colter fought viciously as he attempted to seize her.

Gunn then rushed at her with a club and beat her about the head, the prosecutor said Teeth marks were visible on the negro's hand when he was arrested.

Gunn was sentenced to a prison term for crammally assaulting a young girl attending the Northwest Missouri State Teachers 'college here, officers said, and had been sought since the murder of Miss Colter Tuesday.

Passing Attack.

The game brought together two superlative passing combinations. Corsicana completed 17 passes for 240 yards gain, 14 were incomplete and five intercepted. Breckenridge completed nine for 172 yards gain, five were incomplete and seven intercepted.

The ability to intercept passes when their goal line was endangered on the part of the Bengals stopped several drives by the Breckenridge club in the fourth period when a dangerous and determined attack was launched by the Buckies in an effort to wrest the Buckies in an effort to wrest victory from the plucky invaders.

Corsicana had an edge on first down—19 to 12.

The Tigers unleashed a 53-yard drive for their tally with Clarke taking the ball over after hitting the Ereck line three times, with Stewart kicking for the point.

Bucks Tied Score.

With the Tigers ahead, the Buckies staged a sensational drive of 71 yards down the field for their final score that tied the count. Stapp plunged over for the touchdown after Magness had borne the brunt of the ball carrying down the gridiron. One of the features of this drive was a 36 yard pass completed from Mag-36 yard pass completed from Magness to Blackburn who played a marvelous game. Magness attempted to pass for the extra point but it was unsuccessful.

white, Breckenridge's 155-pound guard, was the individual star of the contest, making about 85 per cent of the Breckenridge tackles. Stamps, the Tigers' all-state guard, played beautifully and was the outstanding Corsicana lineman. Blackburn, Buck end, was in great shape and with Magness featured the passing attack. Wilson and Clarke were the starring Corsicana backs.

The Tigers spent Friday night here and left early Saturday morning for Fort Worth, where they witnessed the state championship struggle between the Golden Sandstorm of Amarillo High school and the Tyler Lions on the T. You Can Help

Put Corsicana's Many Unemployed Men To Work!

Let's Face Facts That Are Facts!

We have in our community many skilled, semi-skilled and unskilled workers who are without employment. Of this number there are many who will face a serious situation if work is not provided for them.

SOMETHING CAN BE DONE-MUST BE DONE!

We are appealing to the citizens of our community to do it.

These men of families are not seeking charity, they want work.

There are hundreds of jobs that can and should be gotten under way at once.

What are they? Painting, paper hanging, repair of porches, of steps, of fences, gutters, plumbing, new sidewalks, additions, garages, electrical work, etc.

This work should not be stopped because of winter. It can go on and should go on if these men are to have work and the purchasing power of the community maintained.

Will YOU do YOUR Part?

Join the Honor List of loyal, serious, helpful citizens whose names we wish to publish as pledging to have their work started within the next month.

Help make this a merry Christmas for our own people. Please fill out the form below and mail. It will help.

New Orleans Cotton Quiet.

NEW ORLEANS, Dec. 22—(AP)—
Cotton experienced a quiet but steady opening. Liverpool cables were relatively steady and first trades here showed opening gains of two to five points. The market continued to improve after the market continued to improve after the market points of two to five points. The standard process of the continued to the first points of two first points and first cased of the first points from the highs. The nearness of the Christmas holidays is restricting trading.

Robert H. Lucas, executive director of the national committee, brought forth the issue in a statement issued yesterday in defending his acknowledged financing of

the most involved Republican battles since the split of the party in 1912. Chairman Fess of the national committee has declared a hands off policy on the row but Senator Howell of Nebraska has called for ejection of Lucas.

Here is the Lucas stand:

"To accept office at the hands of this party and then viciously oppose its policles, principles and leadership brings an intolerable situation and one which must be eradicated if the party is to live.

"Such conduct by Senator Norris has been revolting and until the leaders of the Republican party not only fail to support but give their active opposition to men like Senator Norris, they are not doing their full duty to the party which has come down to us from Lincoln."
